## CHAPTER 1 WORKSHEET: THE PURPOSES OF RESEARCH

### ANSWER KEY

#### **Part 1**

1. When we want to learn more about a new or relatively underresearched topic.
2. When we want to describe individuals, groups, activities, events, or situations.
3. When we want to explain causes and effects, correlations, or why things are the way they are.
4. When relevant stakeholders have identified the need for community change or action.
5. When we want to assess the effectiveness or impact of a program or policy.
6. When we want to jar specific audiences into thinking about seeing something differently, promote new learning, or create an awareness campaign.

#### **Part 2**

1. Explanation
2. Exploration
3. Evoke, provoke, or unsettle
4. Description
5. Community change or action
6. Evaluation
